More than just a standard builder warranty...

Most builders provide a 1-Year warranty on their homes, but do they follow through with their promises? With Foresight Custom Homes, LLC Protection Plan +Plus Warranty, we are so confident in our homes that we will warrant to all our buyers from the date of closing or first occupancy, and for ne year thereafter, Foresight will repair or replace any defects in your home caused by faulty materials or workmanship. This gives you that extra peace of mind that you are getting a durable, quality built home from a company that will stand behind their product. Foresight believes in their product and quality of workmanship and customer satisfaction is our #1 goal. We have a top notch warranty system in place and keep detailed records with hundreds of satisfied homeowners to prove it. Foresight has been a member of the Wausau Area Builders Association since 1993 and has been recognized as a consistent quality builder from the start.
